Town of South Bethany  
Attn: Town Manager  
Chair, Planning Commission

Dear Town of South Bethany,

It is with the utmost gratitude that I write this letter to thank you for all your efforts to make Delaware a stronger and healthier state. Your submission to the Lt. Governor's Challenge this year demonstrated remarkable strides to enhance walking and biking trails and make the waterways cleaner and safer for recreational use and fishing. The residents of South Bethany have much to be proud of.

This year's Challenge received a record number of entries and was very competitive. While South Bethany did not receive one of the eight announced awards, I want to sincerely thank you for being a leader and setting an example for others to follow. The residents and visitors of South Bethany can take pride knowing that the leadership of their town values the benefits of prioritizing them and their health and safety.

Thank you for setting such a fine example.

Sincerely,

A handwritten signature in cursive script that reads "Bethany A. Hall-Long".
